# Our History

The history of our company, Athlos Sport, began in 1986 in Ioannina, with the goal of manufacturing and marketing athletic apparel. By 1990, we had expanded to 30 retail points, and in 1992, an investment program increased our production capacity. By 1998, we operated in 6 retail locations and collaborated with 150 sports clubs.

In 2006, we established new facilities, introduced new products, and created retail stores. In 2010, through an investment program, we doubled our production capacity with state-of-the-art machinery. In 2015, we signed a contract with PAOK and entered the professional basketball category.

To date, we have partnered with major teams in Greece and Cyprus, working with 10 teams in the A1 basketball category. We have served 450 clubs, maintain 100 retail points, operate 2 proprietary stores, and proudly serve as suppliers to the Hellenic Weightlifting Federation and the Cyprus Basketball Federation. Our commitment to excellence continues as we grow in the sports industry.
